Just for Craftsmen & Leaders

An alarm clock or system for waking is needed for camp.

Travel

If you are returning home from Camp Premier on 25th July, we will deliver you to your home at about midday.
The Rear Party will be given 'return home' arrangements separately.

Bulky items

Craftsmen should not bring bulky items such as tents and chairs without prior approval. Craftsmen are permitted to bring their own tent - subject to approval over the size/nature of the tent. Please check that your tent is complete, reasonably weather-proof, and that you know how to put it up. This might all seem obvious, but we write from experience of failures on each of those three issues.

The use of chairs will not be permitted in the meeting tent (too little space) except for medical issues, although a limited number of stools will be available for those unable to sit on the floor.

Camp Premier

Activities include sea fishing, go-karting and kayaking.

Travel is either at 9 a.m. on Tuesday 21st July or after school time at about 4 p.m. on the same day. In both cases the meeting place is outside 24 Lambarde Road.

Travel on 21st July is not in uniform, but make sure that you have smart uniform packed.

Themes for Evening Meetings

Armour of God
(see all of Ephesians and particularly 6: 10-20)

Sunday	Helmet of Salvation
Monday	Breastplate of Righteousness
Tuesday	Sandals of the Gospel of peace

Craftsmen/Leaders

During Camp Premier we will be studying parts of Mark's gospel:

Tuesday	Mark 6: 1-13	Rejection & mission
Wednesday	Mark 6: 14-29	Death of John
Thursday	Mark 6: 30-56	Food and water
Friday	Mark 7: 1-23	Traditions & commands

During the 10+ Camp we will take a brief look daily at sections of Mark 7-9

General Information

Before camp

- Hand in your health/consent form.
- Check that you have the correct uniform (see kit list). We are on show to the public on Sunday.
- You might want to check that all your gear is marked in some way

Cake 10+ campers are asked to provide a cake with 7 good servings. Please don't provide cakes with fresh cream as we do not have the facilities to refrigerate.

Money All activities during camp are included in the camp fee. You will only require money for visits to the tuckshop and any shopping - if the occasion arises (quite unlikely, except for Craftsmen).

Leave the technology at home!

Please note that we cannot guarantee the security or safety of electronic equipment under camp conditions. Any equipment that is brought by Junos, Inters or Craftsmen (including mobile phones) is at your own risk. Our experience is that the use of such devices spoils the camp experience, so they must be kept in the off condition and not seen or heard unless permission is given by a leader.
Remember that photographs are for your own private use.

At camp

Campers are not permitted to enter sleeping tents other than their own unless a leader gives them permission to do so.
